Date filed: February 15, 2011

Name of company covered by this certification: Georgia Public Web, Inc.

Form 499 Filer ID: 823878

Name of signatory: David Muschamp

Title of signatory: President and CEO

Certification:

I, David Muschamp, certify that I am an officer of Georgia Public Web, Inc. ("Company") and, acting as an agent of the Company, that I have personal knowledge that the Company has established operating procedures, summarized in the attached statement, that are adequate to ensure compliance with the Federal Communications Commission's customer proprietary network information ("CPNI") rules as set forth in Part 64, Subpart U of the Commission's rules, 47 C.F.R. §§ 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how the Company's procedures ensure that the Company is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, recordkeeping, and supervisory review) set forth in section 64.2001 *et seq.* of the Commission's rules.

The Company has not received any customer complaints in the past calendar year concerning unauthorized release of CPNI. Company does not have any material information with respect to the processes pretexters are using to attempt to access CPNI that is not already a part of the record in the Commission's CC Docket No. 96-115. Company has therefore not taken any actions in the past year against data brokers, including proceedings instituted or petitions filed by the Company at either state commissions, the court system or at the Commission. The Company has established procedures to report any breaches to the FBI and United States Secret Service, and it has emphasized in its employee training the need for vigilance in identifying and reporting unusual activity in order to enable the Company to continue to take reasonable measures to discover and protect against pretexting and other unauthorized access to CPNI.

I hereby represent and warrant that the above certification is consistent with Section 1.17 of the Commission's rules, 47 C.F.R. § 1.17, which requires truthful and accurate statements to the Commission, and acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject the Company to enforcement actions.
